**I, the undersigned, state that:**

I am at least 65 years of age. **Proof of age must be shown.(see above).**

The snow removal program is funded by the Village of Northfield general fund and is a courtesy provided to the residents of the Village of Northfield. You must submit a **\$6.00** registration fee along with this completed application. The Village Council reserves the right to terminate this snow removal assistance program without notice at any time it deems best. The main purpose of this program is so that the Village's Safety Forces can get to you in case of an emergency. The Service Department Superintendent has the ability to remove you at any time from this list in cases of abuse.

I understand that the services under this program shall not be prioritized nor shall there be any obligation or liability owed by the Village of Northfield in the event a qualified applicant's driveway is not, from time to time, plowed. Driveways will be plowed in a timely manner; however, there may be occasions when the patience of those served by this program will have to be patient.

There is no other person under the age of 65 residing with me.

I am the owner and reside 12 months of the year at the single-family dwelling listed above.

I hereby release the Village of Northfield and its agents, employees, contractors and snow plow operator(s), from all liability and/or property damage arising out of the removal of snow from the driveway at the residence listed above.

I understand that the Village of Northfield or its snow plow operator(s) shall not be liable for damage to driveways, curbs or lawns and will not be responsible for spring clean up of debris due to winter plowing.

I understand that qualifying applicants will have driveway markers (at least 4) installed. The Village Service Department will install these markers on each side of the driveway to outline its locations. The markers are to be

placed a minimum of 12” from the edges of the driveway with no obstructions on the driveway side of the markers. If markers are not left in the place, the Village has the right to refrain from plowing the driveway in order to avoid property damage. These markers shall be visible from the cab of the snow plow vehicles. The Village Service Department will collect all markers after the snow season is complete each year.

I understand the driveway will only be plowed after a snowfall of **4 OR MORE INCHES**, and only **ONCE** within a **24 HOUR PERIOD**, unless otherwise determined by the Service Superintendent, and **ONLY** after all Village streets have been cleared to the satisfaction of the Service Superintendent. The recommended hours of plowing for senior driveways are from 7:00am until 11:00pm., but it may be necessary to plow the driveways outside of that recommended time period.

I understand it is my obligation to make sure the driveway is clear of all obstacles. The snow plow operator has the right to refrain from plowing the driveway if it is obstructed by obstacles.

I do not have a gravel/limestone driveway.

I understand that the address of my residence must be clearly visible from the road.

I understand the **driveway only will be plowed with one push or pull 8' wide from the first entrance of the residence to the street**, no sidewalks, doorways, steps, entrances, or turn-a-rounds or extensions will be cleared. You must find other resources if you need help with removing the snow from these other areas.

I understand that there will be no salt applied to the driveway.

I understand that the Village of Northfield is to be notified of any residency changes to this residence and any extended periods that this residence will be vacated.

I understand the winter season to be from December 1, 2011 to April 1,2012. The deadline for all applications is November 22, 2011, and no applications will be accepted after that date.

I acknowledge I have read and agree to all terms listed in this application and will receive a copy of this application.

**Failure to comply with the above conditions shall result in the immediate and permanent removal from the snow removal program.**
